

# Emran Hosen Emon

Graphic Designer and Developer [Apps & Web]

## + PERSONAL STATEMENT

I'm Emran Hosen Emon. I'm studying in B.S.C in Computer Science and Engineering (CSE) from North Western University. I love to work in **Graphic Design and Development**. Everywhere I am using my creativity to make my clients happy. I have a long experience in *Ads Design, Logo Design, Banner Design, Website Design, Business Card, UI-UX Desing* and Other Graphic. I'm most adept in **Programming Language**, Computer Software I have helped many people so far, when it comes to (GUI) Graphical User Interface you can rest assured that my answer would be easiest to understand, I'm quite confident of teaching you with my practical knowledge. Already was created many software such as **NWU-Management System**(Swing), **Advance Calculator**(FX), **EG-SERVICE**(FX), and my biggest application is **CALET**(Android Studio).t
